Celebrate with us!

Stepping Stones and Wee Tigers
are now Accredited through
National Association for the
Education of Young Children
(NAEYC)

What is NAEYC accreditation?

- Accreditation is a National third party endorsement of a program's ability to meet research-based quality standards.
- **Stepping Stones and Wee Tigers** went through an extensive self-study and quality-improvement process. It included parent and staff evaluations of the program, classroom observations, and program and classroom evaluations by a NAEYC assessor.

National Association for the Education of Young Children (NAEYC)

- Less than 10 percent of all child care centers, preschools, and kindergartens nationally achieve this recognition.
- It has become a widely recognized sign of high-quality early childhood education.
- Earning NAEYC Accreditation makes our programs an exemplar of good practice for families and the entire community.
